

Our ESG Vision

Welcome to ESG Bus!

Bus Stop 5: Our ESG Vision

What is our ESG Vision?

We aspire to become a leading entity to drive ESG in the banking industry

To pursue our vision, we have...3 objective statements

Environmental

To become a domestic leader in reducing the environmental impact of our daily operations and offering customers a wider range of green and sustainable finance solutions

Therefore,

Our target is to be 'carbon-neutral' by 2030

Solar panels will be installed at Hang Seng 113 in 2021

Social

Enable younger generations to reach their full potential by offering tailored banking services and developing their future skills and nurturing a workplace that promotes their wellbeing and professional development

For example...We launched the CareerWise programme to empower our staff to develop future skills

Governance

Fully complying with rules and regulations including climate-related risk management and ESG reporting disclosure

We were the first Hong Kong bank to sign up to the International Task Force on Climate-related Financial Disclosure (TCFD).
